WETEX 2012

The Water, Energy, Technology & Environment Exhibition (WETEX) has been successfully organized by DEWA for the past Thirteen years, with participation of more than 700 Exhibitors & sponsors, Government bodies, National /International Oil Companies, Energy Entities, Environment, Trade associates and relevant Industrial companies from across the Globe.

WETEX 2012 will be held Under the patronage of HH Sheikh Hamdan Bin Rashid Al Maktoum, Deputy Ruler of Dubai and Minister of Finance on March 13th to 15th , 2012 at Dubai International & Convention Center. The Exhibition will expand the energy portfolio to include fossil fuels (Oil, Gas & Coal) under the leadership of Dubai Supreme Council of Energy

This 2012 Exhibition will be **Technology** focused in the area of **Energy** (Fossil fuel, Nuclear, Renewable, Power Generation, Smart Grids, Efficiency, Conservation) ,**Water** (Management, Treatment, Desalination, Utilities) and **Environment** (Waste Management, Green Buildings, Co2 reduction solutions) It is an excellent opportunity to raise awareness on new Technologies, share expertise and position/promote new developments and best practices in terms of tools, systems, machinery, equipments and processes

The aim of the exhibition is also to promote technologies in the area of energy efficiency and conservation, water managements and environmental protection. Also, to share views on timely industry topics and trends, exchange expertise and experience, present latest technology and innovation, and to stimulate further research of technical and business activities

SmarTech @ WETEX 2012 *Think green. Live Green.*

Welcome to the future!

Smartech – A marketing opportunity designed and dedicated to the cause of promoting energy efficient and water efficient appliances, fixtures and related “green” building products, technologies environment – friendly goods and services Thereof , to consequently promoting rational consumption and usage of electricity and water that’s critical to sustain our planets well-being.

SmartTech being a global platform - All brand owners, mnufacturers, dealers, distributors and retailers from around the region and beyond having green goods in their business deliverables are invited to exhibit their wares at Smartech and subsequently benefit from the participation.

Exhibitor Benefits

1. Platform to showcase
2. High Value Marketing opportunity
3. Aligning with Governments vision
4. Authoritys “letter of Recommendation”
5. Knowledge Transfer / Acquisition
6. Pride of Participation
7. Incidental Publicity

Critical Insight

Participating in Smartech at WETEX 2012 can facilitate a strategic edge in green commerce. Energy & water efficient technologies and green goods are sweeping the world over, rapidly becoming a must have in the wish list of informed customers. Governments everywhere are continuously crafting legislations to secure the green concept ; a lot of debate academics and research have gone in its implication. Consequently codes and regulations have been deployed for all of us to consider. Apparently consumers are well lacking for enviro-indicators in their purchase decisions.

Thinking Green and living green for our earth’s sustainability.

Focus Sectors for GCC

Solar Energy
Bio Energy
Cogeneration
Geothermal Energy
Energy Efficiency
Wind Energy, Green Building Products & Services
Hydrogen and fuel cells
Home Appliances

FOSSIL FUEL @ WETEX 2012

Middle East - come home to the cradle of Fossil Fuel

FOSSIL FUEL @ WETEX 2012, the first international exhibition and conference for energy industry professionals, in the field of FOSSIL FUEL sector will be conducted by WETEX, bringing together experts in the industry. The conference will showcase National and International companies and provide them with wide range of latest technological and management solutions.

FOSSIL FUEL @ WETEX 2012 will integrate thousands of commercial and technical industry professionals for exceptional networking, creating new business opportunities, exchange of ideas and to showcase the latest innovations, technologies and developments across the gas value chain.

EXHIBITOR PROFILE FOR FOSSIL FUEL @ WETEX 2012

Alternative fuel utilization: services, technologies
Chemical engineering systems and supplies
Cryogenic Technology and Equipment
Data Acquisition & IT Services
Distillation Systems and Equipment
Drilling & Downhole Technology
Deposits' construction and operation
Refining technologies
Exploration and production technology
Environmental protection and pollution control
Exploration and Development
Extractive equipment for fuel-energy resources: oil, gas

Gas and oil well equipment
Gas processing equipment
Marine equipment and services
Geologic exploration and predicting
Geology - prospecting equipment
Geochemical Services and Consulting
Geographic Information Systems (GIS)
Geological Studies and Consulting
Geophysical Products and Services
Global Positioning Systems (GPS)
Helicopter/Aircraft Service
Instrumentation and Control Technology
Industrial technologies meant for production automation, software for oil and gas industry
LNG Technology and Equipment
Log Digitalizing & Logging
Magnetic Services and Consulting
Mapping/Cartographic Services
Marine Equipment & Services
Micro paleontological Services
Mineral processing equipment and Diagnostic engineering
Oil processing equipment and petrochemistry
Oil-fields construction and operation
Oil and gas transportation systems
Pipeline engineering and equipment
Pumps and Compressors
Reservoir Evaluation
Safety & Pollution Control
Seismic Data Acquisition
Surveying
Shipyards and engineering
Safety system and fire prevention
Services in oil, gas and mineral oils transportation
Storing equipment and tanks for fuels
Tools and equipment for mining. Hard alloy tools, abrasives, diamond tools
Trunk pipelines and fittings. Rust prevention
Tanks and Storage Fabrication
Well services
Valves and Fittings

Exhibition Profile for Water, Energy, Technology and Environment @ WETEX 2012

WATER TECHNOLOGY

- * Water Treatment Plants
- * Desalination Plants
- * Water Bottle Companies
- * Asbestos, GRP, Fibre Glass, HDPE, PVC, G.I. Stainless Steel & Other Pipes
- * Water Treatment Chemicals
- * Water Coolers & Water Heaters
- * Water Savers & Water Scooters
- * Water Well Drilling Equipment & Accessories
- * Water SCADA Software
- * Warming Tapes
- * Pumps
- * Valves-Gate, Butterfly, Air, Pressure Reducing
- * Irrigation System
- * Sanitary Wares & Accessories
- * Agriculture & Horticulture Equipment
- * Chlorination System
- * Dewatering Equipment
- * Waterproofing Products
- * Tanks/Reservoir Lining Materials
- * Fibre Glass Products
- * Manhole Covers
- * Micro Tunneling Equipment
- * Pipeline Coating Systems
- * Sealants
- * Adhesives
- * Leak Detection Equipment
- * Water Transmission & Distribution-related Products

ENERGY TECHNOLOGY

- * Boilers
- * Turbines
- * Compressors
- * Motors
- * Generators
- * Air-conditioners
- * Air-conditioning Chillers & Heat Exchangers
- * Air-Purification & Cleaning Equipment
- * Air Curtains & Filters
- * Auto Recloser

- * Batteries & Battery Charges
- * Bearing & Gears
- * Industrial Belts
- * Bolts, Nuts & Chains
- * Hardware Tools, Tackles & Gaskets
- * Brake Parts & Lining
- * Cables-HV/MV/LV/Control
- * Cable Fault Locator
- * Cabinet
- * Cash Resin Transformer
- * Wire Manufacturing
- * Cable Joints & Accessories
- * Cable Tiles/Protection covers/UPVC pipes
- * Calibration Equipment & Gauges
- * Cathodic Protection System
- * Centrifugal Machineries
- * Industrial Chemicals & Products
- * Communication Systems & Equipment
- * Computers
- * Conduits & Electric Fittings
- * Control Systems-Industrial & Residential
- * Corrosion Control System
- * Cranes
- * Control Safety, System Protection & Monitoring Equipment
- * Cooling & Heating Equipment
- * Diesel Engines
- * Distance Relays
- * Differential Relays
- * Earthing/Lighting Equipment & Accessories
- * Fan & Exhaust Systems
- * Firefighting Equipment & System
- * Fuel Handling & Injection system
- * FGRP Kiosks
- * Galvanizing Products
- * Gas Detectors
- * Geographic Information (GIS systems)
- * Gas Insulated Switchgear
- * Safety Equipment, PPE Items
- * Horizontal Drilling Equipment
- * Hydraulic Equipment & Tools
- * HRC Fuses Links/ MCCB's

- * Industrial & Power Automation
- * Instrumentation & Calibration
- * Insulation Material
- * Lifts & Escalators
- * Lighting Fixtures-Industrial & Residential
- * Industrial Linings
- * Lubricants-Industrial
- * Magnetic Devices
- * Relays-Control & Protection
- * Ring Main Units (SF6)
- * Circuit Breakers
- * Cable Trays
- * Capacitor Banks
- * Switchgears/Distribution Boards/Mini Distribution Pillars
- * Pocket Substations
- * Overhead Line Equipment Material/Hardware & Accessories
- * Ceramic & Other Power Insulators
- * Fault Recorders
- * Energy Meters-Consumer Connection Equipment Home Service Meters
- * Partial Discharge Measurement Equipment
- * On Load Tap Changer
- * Main Panels & Distribution Boards
- * Testing & Measurement Equipment
- * Plastic Tubes, Rods & Sheets
- * Pneumatic Tools & Tackles
- * Power Coating Products
- * Pressure Gauges
- * Pressure Vessels
- * Power Transformers/Distribution/ Instrument/Voltage/ Current Transformers
- * Process Control Systems & SCADA
- * Public Address System
- * Radiators
- * Remote Terminal Units (RTU)
- * Ring Main Units
- * Reactors

- * Radio Communications
- * Refrigeration Equipment
- * Rust Proofing Equipment
- * Sandblasting Equipment
- * Seals
- * Substation Control System
- * Spraying Equipment
- * Survey Equipment
- * Tubing Works
- * Uninterruptible Power Supply Equipment
- * Ventilation Products
- * Weighing Equipment
- * Wire Products
- * Home Appliances like Refrigerators, Air-conditioners, Dishwashers, Cookers, TV, PC, Light fittings, Wiring Switches, & Accessories

RENEWABLE ENERGY

ENVIRONMENTAL SYSTEM

- * Energy Conservation Products
- * Energy Savers
- * Water Conservation Products
- * Energy & Water Recycling Products
- * Filtration Equipment (Air, Water, etc)
- * Recycling Products (Wood, Paper, etc) & Technologies
- * Solar & Wind Energy Products
- * Emission & Monitoring Equipment
- * Hazardous Waste Collection & Management
- * Waste Control Products
- * Pollution Control System & Products
- * Garbage, Trash Disposal & Recycling
- * Environmental Control System
- * Refuse Disposal System

Reap the benefits as you sponsor

- Touch base with the decision-makers
- Reinforce your brand's position amongst national and international Fossil and Fuel companies.
- Portray your brand's profile to an array of audience like engineering contractors, service providers, government agencies, classification societies etc
- Widen your knowledge about the latest advancements in the Fossil and Fuel Industry.
- Have one-on-one meeting with the pioneers of the industry.
- Gauge your competition in the field.
- Network with the attendees right from the entry level professionals to the senior management.
- Align your brand with the industry leaders.
- Capture a never-before tapped market.
- Highly targeted environment where you can zero-in on the prospective buyers.
- Generate valuable sales leads.
- Launch new products.

Highlights WETEX 2011

*** 720 Companies**

*** 23000 Sqm gross area**

*** 27 Countries**

EXHIBITORS AREA / YEAR
