# All-round service for your presentation.

Construction | Building | Mining | Minerals | Processing | Materials | Machinery | Equipment  
Showcase your company at leading international trade fairs!

## IMAG trade fairs – Your key to global markets

Growth markets in emerging and industrialized nations worldwide provide outstanding opportunities for the international construction and related industries. The network of IMAG- and our partner-trade fairs covers the entire range of topics, from building materials over construction machinery up to mining and mineral processing. Seize this chance and benefit from highly efficient business and communication platforms!

## Make your trade fair presence a success – worldwide!

IMAG enables you to focus on what is really important: Your excellent presentation at the show. Our one-stop services include:

- > Development and organization of your participation
- > Stand construction and technical services
- > Coordination of accompanying events and symposia
- > Partners to organize your travel arrangements

## IMAG – Service around the world

- > Get exhibition space at highly popular trade fairs at top conditions: We bundle demand from individual exhibitors, which enable us to provide prominent exhibition space for our clients.
- > Benefit from our first-rate contacts: We use long-standing, trusting partnerships with government organizations, trade associations, chambers of industry and commerce as well as local partners to push forward your success.
- > International trade fair network: As a subsidiary of Messe München, IMAG has got access to a comprehensive network of over 60 foreign representatives serving more than 100 countries worldwide.
- > Profit from 70 years of experience: Established in 1946, IMAG has organized some 5,000 trade fairs, trade fair participations, exhibitions and further events up to now.
