Your key to international construction markets

CONEXPO-CON/AGG is America's biggest trade fair in the building industry and worldwide among the most important events in this sector. Covering a wide range of products, the show attracts international decision makers from around the globe.

As official cooperation partner for Germany, IMAG offers exclusive opportunities for companies to participate within the "German Group" at this key event.

In 2017, 13 German companies participated at the German Pavilion. In total over 2,800 exhibitors presented their latest innovations to nearly 130,000 visitors from around the world on a total exhibition area of 250,000 sqm.
